ILVE® (ILL-Vay) was founded in 1952 as a brand that is steadfastly committed to exceptional handcrafted quality in residential cooking appliances including ranges, cooktops, ventilation and accessories. ILVE's state-of-the-art manufacturing facility, located near Venice, Italy represents more than 50 years of tradition, continuous technological research and relentless innovation. Bringing a unique brand of Italian craftsmanship to the devoted chef, ILVE has become known as the brand for people who are passionate about cooking and fine kitchen appliances.

The Pro Series flaunts a modern style while encompassing all of the most desirable cooking features that ILVE has offered the discerning chef for over 60 years. The Pro Collection offers streamlined form and understated controls and handrails in both stainless steel and matte graphite and can be ordered in a 36" single or unique double oven as well as an exclusive 40" and 48" size with double ovens. Various cooktop configurations are available for a completely tailored home cooking experience.

From an 8 minute pre-heat option to green energy features, ILVE Ranges are state-of-the-art when it comes to functionality, while keeping simplicity of use first and foremost. From preparation to cleanup, ILVE spares no effort to making cooking a pleasure, each and every time.
