

**ILVE®** (ILL-Vay) was founded in 1952 as a brand that is steadfastly committed to exceptional handcrafted quality in residential cooking appliances including ranges, cooktops, ventilation and accessories. ILVE's state-of-the-art manufacturing facility, located near Venice, Italy represents more than 50 years of tradition, continuous technological research and relentless innovation. Bringing a unique brand of Italian craftsmanship to the devoted chef, ILVE has become known as the brand for people who are passionate about cooking and fine kitchen appliances.

The traditionally inspired Solid Door Collection adds even more ways to customize ILVE's award winning Majestic ranges. The Solid Door Range is completely windowless and features a traditional ILVE Majestic handrail on the oven door. The special order range is available in five made-to-order size options in any of ILVE's eight exclusive standard colors, over 200 RAL Colors, three trims with a mixed metal option, and four leg styles. Various cooktop configurations and accessories are available for a completely tailored home cooking experience.

From an 8 minute pre-heat option to green energy features, ILVE Ranges are state-of-the-art when it comes to functionality, while keeping simplicity of use first and foremost. From preparation to cleanup, ILVE spares no effort to making cooking a pleasure, each and every time.
