

ILVE® (ILL-Vay) was founded in 1952 as a brand that is steadfastly committed to exceptional handcrafted quality in residential cooking appliances including ranges, cooktops, ventilation and accessories. ILVE's state-of-the-art manufacturing facility, located near Venice, Italy represents more than 50 years of tradition, continuous technological research and relentless innovation. Bringing a unique brand of Italian craftsmanship to the devoted chef, ILVE has become known as the brand for people who are passionate about cooking and fine kitchen appliances.

The award winning Majestic Collection offers endless possibilities for customization in design and cooking style. With dozens of exclusive features, ILVE Majestic ranges are truly one-of-a-kind pieces of culinary art for the kitchen. The Collection is available in eight exclusive colors, over 200 RAL colors, three trim choices with a mixed metal option and four leg styles. Various cooktop configurations and accessories are available for a completely tailored home cooking experience.

From an 8 minute pre-heat option to green energy features, ILVE Ranges are state-of-the-art when it comes to functionality, while keeping simplicity of use first and foremost. From preparation to cleanup, ILVE spares no effort to making cooking a pleasure, each and every time.
