Precise Power

Sealed Burners

At 19,000 BTUs each, the exclusive Precision burners are the highest rated sealed burner available for in-home use. Exquisitely designed, they meet all your cooking needs.

Built-In Motorized Rotisserie

Capital Patented Exclusive!

Cook moist, delicious, self-basting meats and poultry year round with our Moto-Rotis™ built-in motorized rotisserie (primary oven only / self-cleaning models only).

Highlights:

- Hand-crafted all welded construction. Made in the USA.
- 19,000 BTU Power-Flo™ sealed burners.
- Oven fits 18" x 26" commercial sheet cookie pan (except GSCR30 models).
- Convection oven fits 18" x 26" commercial sheet pan (except GSCR30 models).
- Five cooking modes + convection.
- Flush rear trim for island-friendly installations (MCR models only).
- Available in stainless steel, ten standard colors, or any RAL color.

Range Top Features

- 19,000 BTU Power-Flo™ sealed professional-style burners with 140° constant simmer.
- Smooth-top continuous cast iron grates with easy-to-clean matte porcelain finish.
- Models can be configured SS Thermo-Griddle, BBQ Grill burner, or Power-Wok™ burner.
- Heavy-duty cast iron professional grates provide a solid base for the heaviest pots and pans with an easy-to-clean durable porcelain coated finish.
- All burners turn down to True Simmer.
- Griddle / grill configurations feature EZ-Glides™ full-extension removable drip trays mounted on ball bearing rails.

Oven Size Specifications

30", 36", and 48" Manual-Clean Oven Size:

- 27" wide x 15" high x 21" deep (19 1/2" usable depth).
- Overall capacity = 4.9 cu ft; Usable capacity = 4.4 cu ft.

48" Manual-Clean Small Oven Size:

- 15" wide x 15" high x 21" deep (19 1/2" usable depth).
- Overall capacity = 2.7 cu ft; Usable capacity = 2.5 cu ft.

30" Self-Clean Oven Size:

- 24" wide x 14" high x 21" deep (19 usable depth).
- Overall capacity = 4.0 cu ft; Usable capacity = 3.3 cu ft.

36", 48", and 60" Self-Clean Oven Size:

- 27" wide x 14" high x 21" deep (19 1/2" usable depth).
- Overall capacity = 4.5 cu ft; Usable capacity = 3.6 cu ft.

48" Self-Clean Small Oven Size:

- 12" wide x 14" high x 21" deep (19 1/2" usable depth).
- Overall capacity = 2.0 cu ft; Usable capacity = 1.6 cu ft.

60" Self-Clean Small Oven Size:

- 18" wide x 14" high x 21" deep (19 1/2" usable).
- Overall capacity = 4.5 cu ft; Usable capacity = 3.8 cu ft.

Oven Features

- Bake and broil convection modes.
- Extra-large viewing window with embossed design.
- Titanium speck porcelain oven interior.
- 40-watt bright oven lights.
- Heavy-duty oven door hinges.

GSCR: Gas Self Clean Series

- Moto-Rotis™ built-in motorized rotisserie - Cook delicious, self-basting meats and poultry year round inside your Capital oven (primary oven only - self-cleaning models only). A Capital Exclusive!
- Heavy-duty cast stainless steel rotisserie prongs.
- Infrared broiler under glass results in BBQ-quality searing.
- Flex-Roll™ oven racks for smooth operation.

MCR: Gas Manual Clean Series

- Large capacity oven fits full-size commercial pan.
- 18,000 BTU Infrared gas broiler generates heat faster.

Complete Control

Highlights

- Hand-crafted all welded construction made in the USA.
- 25,000 BTU open burners with exclusive fame direction and true simmer.
- All ranges include an exclusive 8,000 BTU small pan burner.
- Convection oven fits 18" x 26" commercial sheet pan (Except CGSR30).
- 18,000 BTU infrared broiler behind glass-main oven (glass on self-clean only).
- Includes 6" heat deflector for combustible backsplash installations.
- Available in stainless steel, ten standard colors or any RAL color.
- Manual clean available in 30", 36", and 48" only.

25K BTU Open Burners

Capital Cooking has engineered the most powerful burner with the highest efficiency! Each Culinarian burner uses Capital's exclusive fame pattern to deliver an intense even-searing heat for better caramelization, faster boil and quicker recovery, all with True Simmer.

Each range includes one 8,000 BTU Small Pan Burner

Range Top Features

- 25,000 BTU open professional style burners with delicate constant simmer.
- Open burner caps are constructed of die-cast, high heat resistant aluminum alloy. They are precise, durable, and easy to clean.
- Spill pans below each Open Burner are easily removable and can conveniently be cleaned in the sink or dishwasher.
- Heavy duty cast iron professional grates provide a solid base for the heaviest pots and pans with an easy to clean durable porcelain coated finish.

Oven Size Specifications

30", 36", and 48" Manual Clean Oven Size:

- 27" Wide X 15" High X 21" Deep (19 1/2" usable depth)
- Overall capacity = 4.9 cu ft; Usable capacity = 4.4 cu ft.

48" Manual Clean Small Oven Size:

- 15" Wide X 15" High X 21" Deep (19 1/2" usable depth)
- Overall capacity = 2.7 cu ft; Usable capacity = 2.5 cu ft.

30" Self Clean Oven Size:

- 24" Wide X 14" High X 21" Deep (19 usable depth)
- Overall capacity = 4.0 cu ft; Usable capacity = 3.3 cu ft.

Highlights:

- Range top can be configured with either open burners (COB) or Sealed burners (CSB).
- Exclusive moist cooking mode!
- Five cooking modes plus convection, and rotisserie for all your cooking needs.
- Unique all-glass oven bottoms for even heat and easy clean-up.
- Flush rear trim for island-friendly installations.
- Available in 30", 36", 48", and 60".
- Standard in stainless steel, and also available in 10 standard colors or (optionally) any RAL color (door and kick plate painted).

It's Your Choice

Open Burners

Capital Cooking Equipment designs and manufactures the most powerful burners on the home appliance market. Each burner produces 25,000 BTUs of searing heat and also turns down to a delicate, consistent simmer, offering precise control. Perfect for the cooking connoisseur.

Sealed Burners

At 19,000 BTUs each, the exclusive Precision burners are the highest rated sealed burner available for in-home use. Exquisitely designed, to meet all your cooking needs.

Range Top Features

- Open burner caps are constructed of die-cast, high heat resistant aluminum alloy. They are precise, durable, and easy to clean.
- Heavy-duty cast iron professional grates provide a solid base for the heaviest pots and pans with an easy to clean durable porcelain coated finish
- Open burner and grill/griddle configurations feature EZ-Glides™ full extension removable drip trays mounted on ball bearing rails.
- Spill trays under the spill pans, griddles, and BBQ burners are quickly accessed on ball bearing slides and are sized for easy handling
- 19,000 BTU Power-Flo™ sealed professional style burners with 140° constant simmer.
- Smooth-top continuous cast iron grates with easy to clean matter porcelain finish.

Oven Features

- **MOIST Cooking** – This exclusive feature stops food from drying during cooking, resulting in some of the juiciest meats ever (primary oven only) **Capital Exclusive!**
- **Moto-Rotis™** – Built-in motorized rotisserie – Cook delicious, self-basting meats and poultry year round inside your capital oven (primary oven only) **Capital Exclusive!**
- BAKE, BROIL, ROAST, DELICATE BAKE, PERFECT CONVECTION & MOIST COOKING.
- SELF CLEAN (all ovens).
- MEAT PROBE cooking (all ovens).
- Convection Fan cooking for BAKE, BROIL, ROAST.
- Hidden Bake Element under glass for easy clean up and efficient oven heating.
- Ribbon Broil Element under glass results in BBQ-quality searing.
- Two-speed cooling fan system.
- Extra large viewing oven window.
- Dual Kitchen Timers (5 secs – 11 hours 55 mins).
- TIMED COOK – You can set the oven to turn itself OFF after a set amount of time.
- DELAY COOK – You can set the oven to start cooking at a set time of day.
- Clock – Displays the time of day when the range is not in use.
- Flex-Roll™ oven racks.
- High-intensity lights in each oven.
- Ultra-cool oven doors.
- Sabbath mode.

Other Oven Uses

- Defrost
- Slow Cooking
- Warm
- Dehydrate

Oven Size Specifications

30" Oven Size:

- 25 1/8" wide x 16 1/2" high x 21" deep (19 1/2" usable).
- Overall capacity = 5.0 cubic feet; Usable capacity = 4.7 cubic feet.

36" and 48" & 60" Primary Oven Size:

- 27" wide x 16 1/2" high x 21" deep (19 1/2" usable).
- Overall capacity = 5.4 cubic feet; Usable capacity = 5 cubic feet.

48" Small Oven Size:

- 12" wide x 16 1/2" high x 21" deep (19 1/2" usable).
- Overall capacity = 2.4 cubic feet; Usable capacity = 2.2 cubic feet.

60" Small Oven Size:

- 18" wide x 16 1/2" high x 21" deep (19 1/2" usable).
- Overall capacity = 3.6 cubic feet; Usable capacity = 3.3 cubic feet.

Range Top Options

- Range top configurations are available with your choice of either open or sealed burners.
- Thermo-Griddle Plate™ [12" or 24"] - Our 3/8" thick thermostatically controlled stainless steel griddle plate gives precise control over the griddle temperature. Stainless steel covered included.
 - 12" – 18,000 BTU
 - 24" – 30,000 BTU
- BBQ Grill [12" or 24"] - Capital's indoor grill boasts 18,000 BTUs of searing heat output with variable temperature control and even heat. Our two-sided Tru-Side™ channeling grates (stainless steel with sealed burners and porcelain coated cast iron for open burners). Stainless steel cover included.

Warranty

TWO (2) Years full parts and labor covers entire product with the exception of painted or decorative parts (Light bulbs covered for 60 days after installation). Standard shipping only. Expedited shipping will be at customers' expense.

FIVE (5) Years limited part replacement warranty. Covers part replacement due to malfunction during normal operation.

LIFETIME warranty (non-transferable) on stainless steel sheet metal body parts, against corrosion (excludes stainless steel barbecue grates and coverage for neglect, abuse, damage, normal heat discoloration). Contact Capital for full warranty details.

CAPITAL COOKING EQUIPMENT RESIDENTIAL PRODUCT WARRANTY

- TWO (2) Years full parts and labor covers entire product. (Light bulbs covered for 60 days after installation).
- FIVE (5) Years limited part replacement warranty. Covers part replacement, as noted below, due to malfunction during normal operation.

Ranges*, Range Tops*, & Ovens*: All Burners, Heating Elements, Grates*, Griddle Plates, & Over Racks Barbeques: Gas Valves & all burners (excluding infrared burners)

*Excludes Porcelain Enamel Coating for oven and grates. Porcelain enamel is prone to wear over time and use.

- LIFETIME warranty* (non-transferable) on stainless steel sheet metal body parts against rust.

*Excludes damage and normal heat discoloration. Does not include barbeque grates.

TWO YEAR PARTS & LABOR WARRANTY

TWO (2) Year full parts and labor covers entire product with the exception of painted or decorative parts listed below*. (Light bulbs covered for 60 days after installation). Standard shipping only. Expedited shipping will be at customer expense.

*Painted and decorative parts will be warranted for 90 days from date of original purchase. Any damages or defects must be reported within this timeframe. Replacement painted parts may have slight color variations from the original parts due to normal manufacturing variables.

FIVE YEAR LIMITED PART REPLACEMENT WARRANTY

FIVE (5) Years limited part replacement warranty. Covers part replacement, as noted below, due to malfunction during normal operation.

- Ranges*, Range Tops*, & Ovens*: All Burners**, Heating Elements, Grates*, Griddle Plates, & Oven Racks
- Barbeques: Gas Valves & all burners (excluding infrared burners)
- Parts will be provided at no cost to the owner with proof of purchase. All other expenses, such as labor and freight, will be the responsibility of the owner

*Excludes Porcelain Enamel Coating for ovens and grates. Porcelain enamel is prone to wear over time and use.

**Unless covered by LIFETIME warranty

LIFETIME WARRANTY

LIFETIME warranty (non-transferable) on stainless steel sheet metal body parts, and Outdoor stainless steel tubular barbeque burners (excludes Professional and Pro series), against corrosion (excludes stainless steel barbeque grates and coverage for neglect, abuse, damage, normal heat discoloration). Proof of purchase required (freight not included).

WILL PAY FOR:

All repair, labor, and parts found to be defective due to materials or workmanship for one (1) full year are covered by Capital's "In Home" warranty. This does not apply if the unit was subjected to other than normal household use. An Authorized Factory Service Agent must provide service during normal working hours. No charges will be made for repair or replacement at the location of original installation. No charges will be made for defective factory parts returned pre-paid, through the dealer, and claimed within the warranty period. All claims, regardless of warranty or non-warranty, must be documented with photos and a detailed description and/or narrative of the problem and submitted to Capital's service department.

Warranty replacement of parts for the first year will be freight prepaid by Capital and shipped regular ground. Requests for expedited shipments must be paid by the customer. Capital Cooking will not be liable for additional transportation costs, labor, costs, taxes or export/import duties. This warranty shall not apply, nor can we assume responsibility for damage that might result from failure to follow the manufacturer's instructions or local codes where the appliance has been tampered with or altered in any way or which, in the judgment of Capital, has been subjected to misuse, negligence, or accident. Implied warranty shall not extend beyond the duration of this written warranty. This warranty is in lieu of all other warranties, expressed or implied and all other obligations or liability in connection with the sale of this product.

WILL NOT PAY FOR:

- Installation or start-up.
- Shipping damage that is not a direct result of factory packaging (for example freight handling).
- Service by an unauthorized agent or agency.
- Use of unauthorized parts.
- Service during hours other than normal working hours.
- Improper installation.
- Instructional service visits on operation of products or features, incorrect installation, reset of circuit breakers or replacement of fuses.
- Repair for other than normal household use.
- Damage or malfunction caused by improper maintenance, care, and cleaning of the product.
- Damage caused by accident, abuse, alteration, misuse, incorrect installation or an installation not in accordance with local codes. Unit(s) installed in non-residential applications.
- Travel costs for isolated geographic locations and/or outside of 50 miles total travel distance or two hours travel time, round trip. Travel requiring plane, ferry, train, etc., costs.
- Shipping and labor costs beyond the one year after purchase, unless specifically covered under the limited or lifetime warranty.

This warranty applies to appliances used in residential applications only. It does not cover commercial usage and/or installations. This warranty is for products purchased and retained in the 50 States of the U.S.A., the District of Columbia, and Canada. The full and limited warranty applies even if you should move during the warranty period. Should the original purchaser sell the appliance during the warranty period, the new owner continues to be protected until the expiration date of the original purchaser's warranty period, with the exception of the lifetime warranty. You may also have other rights, which vary from State to State.
