

VITARA

A
WAY
OF
LIFE

Introducing VITARA

Vitara means “a way of life” and as a manufacturer of built-in, full-size refrigerators, they provide a multitude of kitchen design options.

With a 43db noise level, fully articulated hinges, zero clearance for seamless

wood paneling integration, contemporary stainless steel panels and handle options, and an impressive 3 year 100% parts and labor warranty, Vitara refrigeration easily combines superior performance with numerous design possibilities.

Vitara Values

EXCELLENCE

At Vitara we are dedicated to achieving the highest standards of quality and craftsmanship in every aspect of our refrigeration solutions, ensuring unparalleled performance and reliability.

SUSTAINABILITY

Committed to environmental responsibility, we prioritize eco-friendly practices throughout our manufacturing processes and product life cycle, minimizing our carbon footprint and conserving natural resources.

INNOVATION

Vitara is proud to continuously push the boundaries of technological advancement to create state-of-the-art refrigeration systems that combine cutting-edge features with timeless aesthetics.

CUSTOMER-FOCUS

Your satisfaction is our top priority. At Vitara we strive to exceed your expectations by delivering personalized service, tailored solutions, and responsive support to ensure a seamless experience from purchase to maintenance.

SIMPLICITY

Our designs reflect simple sophistication and refinement, harmonizing seamlessly with a multitude of interiors while adding a touch of brilliance to your space.

RELIABILITY

With our 3-year parts and labor warranty, we stand behind the quality and reliability of our refrigeration systems, providing you with unmatched peace of mind and assurance that your investment is protected for years to come.
