ICE MAKERS

ELEVATING BEVERAGES FOR EVERY OCCASION

Indulge in the luxury of pure, premium ice. Perlick's newest generation of ice makers combines advanced filtration, seamless integration, and intelligent performance to elevate every occasion, with high-capacity production designed for indoor and outdoor spaces and gatherings of any size.

PREMIUM PURE ICE

Enjoy cleaner, clearer, better-tasting ice with built-in water filtration, eliminating the need for separate filtration systems while helping ensure pure ice for elevated beverages of all types.

HIGH-CAPACITY PERFORMANCE

Produces 70- 95 pounds of ice per day depending on model and stores up to 25 pounds, ensuring a consistent supply for everyday use and effortless entertaining.

FROM INDOOR KITCHENS TO OUTDOOR LIVING

Built to perform beautifully in both indoor and outdoor environments, making it the perfect addition to kitchens, patios, outdoor bars, and entertainment spaces.

INTELLIGENT ICE CONTROL

Advanced sensing technology continuously monitors ice production and usage and automatically maintains ideal ice levels, so you're always prepared for gatherings large

SEAMLESS DESIGN

Designed to integrate beautifully into custom cabinetry, Perlick Ice Makers feature panel-ready construction, concealed hinges, and a flush profile for a refined, built-in aesthetic from door to toe kick.

BUILT TO PERFORM

All units come equipped with an enhanced, factory-installed drain pump, delivering reliable operation while simplifying installation for a worry-free experience.

ELEVATED EXPERIENCE

Integrated lighting illuminates the ice bin for improved visibility while adding a sophisticated touch.

BUILT-IN MONITORING & ALERTS

Integrated alerts, including a door alarm and system status notifications, help protect performance and ensure optimal operation.

CLEAR ICE MAKERS

Precision-crafted clear ice is designed to enhance every drink, from refreshing sparkling waters to elevated cocktails. Filtered for purity, each cube delivers exceptional clarity and a slower melt to preserve the integrity, flavor, and presentation of every beverage.
